# NOTICE to workers about Unemployment Insurance Benefits

THE POSTING OF THIS NOTICE IS REQUIRED BY THE ILLINOIS UNEMPLOYMENT INSURANCE ACT.

## FILING A CLAIM

The Illinois Unemployment Insurance Act provides for the payment of benefits to eligible unemployed workers and for the collection of employer contributions from liable employers. It is designed to provide living expenses while new employment is sought. Claims should be filed as soon as possible after separation from employment. Claims can be filed online at [www.ides.illinois.gov](http://www.ides.illinois.gov) or at the nearest Illinois Department of Employment Security office to the worker's home. To be eligible for benefits, an unemployed individual must be available for work, able to work and actively seeking work and, in addition, must not be disqualified under any provisions of the Illinois Unemployment Insurance Act.

Each employer shall deliver the pamphlet "What Every Worker Should Know About Unemployment Insurance" to each worker separated from employment for an expected duration of seven or more days. The pamphlet shall be delivered to the worker at the time of separation or, if delivery is impracticable, mailed within five days after the date of the separation to the worker's last known address. Pamphlets shall be supplied by the Illinois Department of Employment Security to each employer without cost.

A claimant may also be entitled to receive, in addition to the weekly benefit amount, an allowance for a non-working spouse or a dependent child or children. The allowance is a percentage of the average weekly wage of the claimant in his or her base period. The weekly benefit amount plus any allowance for a dependent make up the total amount payable.

If, during a calendar week an employee does not work full-time because of lack of work, he or she may be eligible for partial benefits if the wages earned in such calendar week are less than his or her weekly benefit amount. For any such week, employers should provide employees with a statement of "low earnings" which should be taken to their Illinois Department of Employment Security office.

**NOTE:** Illinois unemployment insurance benefits are paid from a trust fund to which only employers contribute. No deductions may be made from the wages of workers for this purpose.

Unemployment insurance information is available from any Illinois Department of Employment Security office. To locate the office nearest you, call 1-800-244-5631 or access the locations through our website at [www.ides.illinois.gov](http://www.ides.illinois.gov).

## BENEFITS

Every claimant who files a new claim for unemployment insurance benefits must serve an unpaid waiting week for which he has filed and is otherwise eligible.

The claimant's weekly benefit amount is usually a percentage of the worker's average weekly wage. The worker's average weekly wage is computed by dividing the wages paid during the two highest quarters of the base period by 26. The maximum weekly benefit amount is a percentage of the statewide average weekly wage. The minimum weekly benefit amount is \$51. The statewide average weekly wage is calculated each year.

## If Your Benefit Year Begins:

## Your Base Period Will Be:

*This year between:*

*Last year between:*

Jan. 1 and March 31

Jan. 1 and Sept. 30 and the year before between Oct. 1 and Dec. 31

*This year between:*

*Last year between:*

April 1 and June 30

Jan. 1 and Dec. 31

*This year between:*

*Last year between:*

*This year between:*

*Last year between:*

Oct. 1 and Dec. 31

July 1 and Dec. 31 and this year between Jan. 1 and June 30

In order to be monetarily eligible, a claimant must be paid a minimum of \$1,600 during the base period with at least \$440 of that amount being paid outside the highest calendar quarter.

If you have been awarded temporary total disability benefits under a workers' compensation act or other similar acts, or if you only have worked within the last few months, your base period may be determined differently. Contact your local IDES office for more information.

## REPORTING TIPS

Each employee who receives tips must report these tips to employers on a written statement or on Form UC-51, "Employee's Report of Tips," in duplicate. Employers can furnish this form on request. The report shall be submitted on the day the wages are paid, or not later than the next payday, and shall include the amount of tips received during the pay period.

## TAXATION OF BENEFITS

Unemployment insurance benefits are taxable if you are required to file a state or federal income tax return. You may choose to have federal and/or Illinois state income tax withheld from your weekly benefits. Since benefits are not subject to mandatory income tax withholding, if you do not choose to withhold, you may be required to make estimated tax payments using Internal Revenue Service Form 1040 ES and Illinois Department of Revenue Form IL 1040 ES.

# WORKERS' COMPENSATION

is a system of benefits provided by law to most workers who have job-related injuries or illnesses. Benefits are paid for injuries that are caused, in whole or in part, by an employee's work. This may include the aggravation of a pre-existing condition, injuries brought on by the repetitive use of a part of the body, heart attacks, or any other physical problem caused by work. Benefits are paid regardless of fault.

## IF YOU HAVE A WORK-RELATED INJURY OR ILLNESS, TAKE THE FOLLOWING STEPS:

**1. GET MEDICAL ASSISTANCE.** By law, your employer must pay for all necessary medical services required to cure or relieve the effects of the injury or illness. Where necessary, the employer must also pay for physical, mental, or vocational rehabilitation, within prescribed limits. The employee may choose two physicians, surgeons, or hospitals. If the employer notifies you that it has an approved Preferred Provider Program for workers' compensation, the PPP counts as one of your two choices of providers.

**2. NOTIFY YOUR EMPLOYER.** You must notify your employer of the accidental injury or illness within 45 days, either orally or in writing. To avoid possible delays, it is recommended the notice also include your name, address, telephone number, Social Security number, and a brief description of the injury or illness.

**3. LEARN YOUR RIGHTS.** Your employer is required by law to report accidents that result in more than three lost work days to the Workers' Compensation Commission. Once the accident is reported, you should receive a handbook that explains the law, benefits, and procedures. If you need a handbook, please call the Commission or go to the Web site.

If you must lose time from work to recover from the injury or illness, you may be entitled to receive weekly payments and necessary medical care until you are able to return to work that is reasonably available to you.

It is against the law for an employer to harass, discharge, refuse to rehire or in any way discriminate against an employee for exercising his or her rights under the Workers' Compensation or Occupational Diseases Acts. If you file a fraudulent claim, you may be penalized under the law.

**4. KEEP WITHIN THE TIME LIMITS.** Generally, claims must be filed within three years of the injury or disablement from an occupational disease, or within two years of the last workers' compensation payment, whichever is later. Claims for pneumoconiosis, radiological exposure, asbestosis, or similar diseases have special requirements.

Injured workers have the right to reopen their case within 30 months after an award is made if the disability increases, but cases that are resolved by a lump-sum settlement contract approved by the Commission cannot be reopened. Only settlements approved by the Commission are binding.

## NOTICE TO INDIVIDUALS PERFORMING SERVICES FOR CONSTRUCTION CONTRACTORS

**REQUIRED POSTING** – Contractors that have one or more individuals **not** classified as employees must post this notice in a conspicuous place on each jobsite and in their offices.

### EMPLOYEE CLASSIFICATION ACT (820 ILCS 185/1-999) Effective Date: January 1, 2008

The Employee Classification Act establishes criteria to determine if an individual performing services for a construction contractor is an employee of the contractor or is an independent contractor. Individuals performing services for contractors on or after January 1, 2008 are presumed to be employees of the contractor unless they meet criteria specified in Section 10 of the law. The Act seeks to ensure that workers in the construction industry are offered protections under numerous labor laws, including minimum wage, overtime, workers' compensation and unemployment insurance and are not misclassified as independent contractors in order to avoid tax and labor law obligations.

Any aggrieved individual or interested party has the right to file a complaint with the Department of Labor or file a private lawsuit seeking remedies for misclassification violations, including collection of any wages, employment benefits or other compensation denied or lost, monetary damages, attorney's fees and court costs. Contractors determined to be in violation of the Act are subject to civil and criminal penalties.

It is a violation of the Act to discharge an individual for exercising any rights, including making a complaint or testifying in an investigation under the Act, subject to additional damages, attorney's fees and costs.

## AVISO A PERSONAS QUE TRABAJAN PARA CONTRATISTAS EN EL AREA DE LA CONSTRUCCION

**FIJACION OBLIGATORIA** – Contratistas que disponen de uno ó más individuos que **no** son catalogados como "empleados" deben de fijar este aviso en un lugar sobresaliente en cada sitio de trabajo y en sus oficinas.

### LA LEY DE CODIFICACION PARA EL EMPLEADO (820 ILCS 185/1-999) Fecha Vigente: el 1° de enero del 2008

La Ley de Codificación Para el Empleado decreta normas para determinar si una persona que trabaja para contratistas en el área de la construcción es un "empleado" del contratista ó si es un "contratista independiente." A partir del 1° de enero personas que trabajan para contratistas son presuntamente empleados, al menos que ellos cumplan ciertos criterios establecidos en la Sección 10 de esta ley. La ley intenta asegurar que trabajadores en la industria de la construcción sean protegidos bajo varias leyes de trabajo (incluyendo la del salario mínimo, horas extras, protección laboral y seguro de desempleo) y que no sean clasificados erróneamente como "contratistas independientes" para que el contratista pueda evitar sus obligaciones en relación a impuestos y las leyes de trabajo.

Cualquier persona perjudicada, ó que tenga un interés directo, tiene el derecho de presentar un reclamo con el Departamento de Trabajo, ó puede presentar una demanda privada demandando remedios por infracciones al ser clasificados erróneamente (incluyendo recopilación de salario, beneficios por ser empleado ó cualquier otra compensación que le fue negada ó perdida, así como también pérdidas monetarias y costos de abogado y de la corte). Contratistas a quienes se les haya determinado que han violado la ley son sujetos a sanciones civiles y criminales.

Es una infracción despedir a un trabajador por ejercer sus derechos bajo esta ley (incluyendo el poner un reclamo ó por dar testimonio en una investigación bajo esta ley) y puede ser sujeto a daños adicionales, costos de abogado y de la corte.

# REQUIRED POSTING FOR DAY AND TEMPORARY LABOR SERVICE AGENCIES

The Day and Temporary Labor Services Act (820 ILCS 175/1 et seq) provides for the regulation of day and temporary labor agencies, establishes worker rights and protections, specifies the duties and responsibilities of day and temporary labor agencies and third party clients, sets forth penalties and enforcement procedures for violations of the law and requires third party clients that contract with day or temporary labor agencies to verify that they are registered with the Department of Labor or face monetary penalties. The following is a summary of the law, however the Act contains additional information that may affect individual cases or claims. For more information on this Act and other laws we enforce, please visit our website at: [www.state.il.us/agency/idol](http://www.state.il.us/agency/idol).

### Registration

Day and temporary labor agencies located in or transacting business in Illinois must register with the Illinois Department of Labor, provide proof of required unemployment insurance contributions and valid workers' compensation insurance and report any lapse in workers' compensation coverage to the Department. Registered agencies are listed on the Department's website at: [www.state.il.us/agency/idol/listings/dlagency.htm](http://www.state.il.us/agency/idol/listings/dlagency.htm)

Every agency must post in the public access area of each work location or branch office a notice provided by the Department of Labor summarizing the provisions of this Act, along with the toll-free number for reporting violations and complaints. This notice shall be in English or any other language generally understood in the locale of the agency. Agencies must also post in public access areas any other state or federally mandated postings.

### Required Notices to Employees

Day and temporary labor service agencies must provide workers with an **employment notice** at the time of dispatch, describing the terms and conditions of their employment, including the nature of work to be performed, the wages to be paid, the name, address and location of where the work will be performed, terms of transportation and whether meals or equipment will be provided and any costs associated with such meals and equipment.

Day and temporary labor service agencies must also provide each worker with a **wage notice** at the time of payment that includes the name address and telephone number of each third party client for whom work was performed; the number of hours worked by the laborer at each third party client each day during the pay period; the rate of pay for all hours worked, including any premium or bonus pay; total earnings during the pay period; and all deductions made for meals, equipment, income tax and social security withholdings and any other deductions.

For workers contracted to work a single day, third party clients must provide workers with a **work verification form** at the end of the work day that contains the date, worker's name, work location and hours worked that day.

A worker who is sent by the agency to a third party client, but is then not utilized by that client must be paid a minimum of four hours of pay at the agreed upon rate by the day and temporary labor agency. However, if that worker is given work during the same shift at another location, he or she shall be paid for two hours of pay at the agreed upon rate of pay (in addition to the pay for hours worked during that shift).

### Wages and Deductions

The wages paid to day laborers must be in compliance with all state and federal laws, including minimum wage and overtime laws and the total amount deducted for meals and equipment may not cause a worker's hourly wage to fall below the state or federal minimum wage. Agencies cannot make deductions from a worker's paycheck unless the worker approves the deductions in writing on a form approved by the Department and agencies may not charge workers for cashing paychecks issued by their agency.

### Recordkeeping Requirements

Day and temporary labor service agencies must keep and maintain for a period of three years detailed records relating to every day laborer's work and these records must be open to inspection by the Department of Labor during normal business hours. In addition, records relating to an individual worker and any hours billed to third party clients for his or her labor must be available for review or copying by the worker within 5 days following a written request.

### Transportation

Day and temporary labor agencies, third party clients (and their contractors or agents) are prohibited from charging workers for transportation between the agency and the designated worksite. Agencies, third party clients (and their contractors or agents) are responsible for the conduct and performance of persons providing transportation and drivers must have a valid and appropriate motor vehicle license, proof of financial responsibility as well as seats and safety belts for every passenger. Any violations of these requirements discovered by the Department shall be forwarded to appropriate law enforcement or regulatory agencies.

### Placement Fee Restrictions

Day and temporary labor agencies cannot restrict the right of a laborer to accept a permanent position with a third party client to whom they have been referred for work. They also cannot restrict the right of third party clients to offer employment to a day and temporary laborer, however day and temporary labor agencies may charge **limited** placement fees to third party clients who offer employment to day laborers.

### Worker Retaliation Prohibited/Private Right of Action

Day and temporary labor agencies and third party clients are prohibited from retaliating against workers for exercising their rights, including making a complaint, testifying or participating in an investigation under this Act. Any retaliation taken against a worker in violation of this Act shall be subject to civil penalties or a private cause of action. In addition to administrative remedies available through the Illinois Department of Labor, a person aggrieved by any violation of this Act may file suit in Illinois circuit court.
